

## WYTHE COUNTY PUBLIC SCHOOLS

### School Messenger Alert System

Wythe County Public Schools uses School Messenger to send out important notices. School Messenger uses the first phone number and email on file in our student information system\*. However, you can customize how you receive messages and alerts by setting up an account. You can create an account by clicking the SCHOOL MESSENGER link on WCPS's home page or by downloading the mobile app.

### Text Messaging Service

School Messenger is compliant with the Student Privacy Pledge™, so you can rest assured your information is safe and will never be given or sold to anyone. You can Opt-In to the text messaging service by sending a "Y" or 'Yes" to **67587**

You can also opt out of these messages at any time by simply replying to one of our messages with "**Stop**"

\*If you need to update the number or email on file in the student information system, please contact your child's school.
