Wythe County Public Schools will be serving meals at no charge to children 18 and under. The U.S. Department of Agriculture (USDA) has approved waivers for local school divisions and other federal meal program sponsors to implement the Summer Food Service Program to provide meals to children in the community free of charge. The waivers support access to nutritious meals while minimizing exposure to COVID-19.

Meals are available to all children regardless of race, color, national origin, sex, age or disability.
