MESSAGE FROM THE SUPERINTENDENT

WCPS Employees,

Welcome to another exciting school year!

The purpose of this handbook is to provide you with information needed for another successful school year. It contains the answers to many commonly asked questions by teachers and staff. Please note that not all division policies and procedures are included in this document. A WCPS policy manual is available for all to review on our school division's website.

This handbook is not intended to be a substitute for the policy manual. This is only a guide that contains brief explanations of policies and procedures related to your duties as a Wythe County Public School employee. Our school board will occasionally make changes to our policy manual. Changes in the policy manual will supersede any provisions in this handbook that are not compatible.

Please read this handbook and address any questions you have with your building principal.

Have a great year!

Scott L. Jefferies, Ed.D.
Superintendent

INTRODUCTION

Although this Employee Handbook will answer many questions about employment-related matters, benefits and compensation, the contents in this handbook are not intended to create or imply a contract or contractual rights with any employee or employee group. It is important to note that the handbook is both selective and general in its coverage of Wythe County Public Schools' policies and procedures. As a result, this handbook is not a full and complete official statement of the Wythe County Public Schools Policy Manual. Consequently, employees are expected to review the published policies of the Wythe County Public Schools Board of Education and to comply with them. Copies of the Wythe County Public Schools Policy Manual are accessible to employees on-line, in each school and the central office. Additional materials, including individual school procedures are available from principals or supervisors.

Changes in policy, regulation and procedure occur frequently. Please note, when changes in policy, regulation and/or procedure occur, this handbook will be amended. Since the handbook is easily accessible, periodically reviewing the handbook is recommended.

Please read this handbook carefully. Although this handbook summarizes many detailed provisions about employment, benefits, and other related matters, the official policies, regulations and procedures will always govern when questions arise. The policy letters are in parentheses after headings for ease of reference. If there are points that are not clear to you, or if problems arise, please consult with your immediate supervisor.

By September 1st of each school year, please complete the three documents found in Appendix A and return to your immediate supervisor.

COMMUNICATION

Equal Employment/Non-Discrimination Policy (GB) /Equal Education Opportunity/Non-Discrimination Policy (JB)

It is the policy of the Wythe County School Board to provide equal employment opportunity to all applicants and employees regardless of race, color, religion, national origin, political affiliation, gender, sex, age, gender identity, ancestry, genetic information, marital status, or disability. All personnel are directed to familiarize themselves with this policy and to act in accordance. The policy and Complaint of Discrimination Form is located in Appendix B of the handbook.

Equal educational opportunities shall be available for all students, without regard to race, color, national origin, gender, ethnicity, religion, disability or marital or parental status. This policy and the Complaint of Discrimination Form is located in Appendix B of the handbook.

Professional Staff Meeting

The Superintendent schedules regular meetings for the central office staff and principals. The principals schedule regular meetings for their faculties and staff.

Evaluation (GCG) (GCN) (GDN)

The Wythe County School Board requires that all full-time and part-time employees be regularly evaluated in accordance with policies approved by the School Board. The deadline for school board members to notify teachers, principals, assistant principals, or supervisors under continuing contract of their reassignment is June 15. Teachers and administrators will be evaluated every year, informally or formally, to include student academic progress in an overall summative rating. Before a teacher is issued a continuing contract, a probationary term of service of at least three years, and at the option of the School Board up to five years, is required.

Staff Communication (GBD) (BG)

The Wythe County School Board desires open channels of communication with all employees. Employees are encouraged to communicate their ideas and concerns in a constructive and orderly manner to the school division administrative staff, Superintendent of Schools and School Board. The Superintendent and the School Board are accessible to all employees.

Any questions, problems, complaints, or suggestions that may arise as a result of your job, should first be discussed with your immediate supervisor who will attempt to give you an answer within a reasonable time. If this response is not to your satisfaction, you may make the complaint in writing to the next supervisor pursuant to the Wythe County Public Schools' Organizational Chart. The Organizational Chart is located in Appendix C of the handbook.

Complaints and Grievances (GBM) (GBMA)

The School Board adopts the Support Staff Grievances in accordance with Virginia law for disputes concerning the application, interpretation, or violation of any of the provisions of local school board policies, rules, and regulations as they affect the work of teachers, other than dismissals or probations. A full copy of the Grievance Procedure may be obtained from the

Procedure Manual. To obtain Employee Grievance forms, please contact the Director of Human Resources.

Personnel Records (GBL) (GCBA)

The school system maintains personnel information that are vital to you as an employee. Access to personnel information is granted by appointment with the Director of Human Resources. Personnel files will not be released, communicated, or distributed unless required by federal and/or state law, or court ordered. If information in your records is not correct, it is your responsibility to notify the Human Resource Office immediately. Personnel information will be maintained in accordance with the Library of Virginia Schedule and Series Numbers.

Annually, the School Board adopts a county-wide salary schedule for all categories of employees. All employees are placed on the appropriate schedule according to educational level, experience, and responsibilities of their position.

Job Description

A copy of any job description may be obtained by contacting the Office of Human Resources.

COMMUNITY RELATIONS

Wythe County Public Schools desires to establish and maintain mutually beneficial relationships through interactions between the school division and the community leaders, groups and agencies located in the Southwest Virginia region. Employees of the Wythe County School Board have a responsibility to act consistently with the school division's philosophy and mission. No person may speak on behalf of the school division other than the Superintendent of Schools or Superintendent's designee, and no person may speak on behalf of a school other than the principal or principal's designee.

Political Activities – Staff Participation (GBG)

School time and school property should not be used for partisan political purposes.

Third Party Complaints Against Employees (GBLA)

Any parent or legal guardian of a student who is enrolled in the Wythe County Public Schools or any resident of Wythe County may file a complaint regarding an employee of the Wythe County School Board.

Staff Gifts and Solicitations (GBI)

Exchange of gifts between students and staff is discouraged.

No school division employee shall solicit goods or services for personal use or for student use during school hours on school property without written authorization from the superintendent.

BENEFITS

Payroll Deductions (DLB)

It is the policy of the School Board to deduct Federal and State taxes and the employee's part of social security. The employee may elect payroll deductions, e.g., Education Association dues, United Way and Foundation for Excellence contributions, U.S. Savings Bonds, Tax Sheltered Annuities, etc.

A Tax-Sheltered Annuity (TSA) provides you with the opportunity to save for retirement on a tax-advantage basis. The TSA is a type of qualified plan commonly referred to as a 403(b) plan. The Plan is available to all eligible employees without exception. As a participant under the Plan, you may elect to reduce your compensation by a specific amount and have that amount contributed to the TSA as a salary deferral.

Contact the Payroll Department for a list of other types of insurances and Tax Sheltered Annuity vendors that can be processed as a voluntary payroll deduction.

Insurance

The School Board participates in applicable programs of the Virginia Retirement System. Health insurance is a benefit in which eligible Wythe County Public School employees may participate. There are several health insurance choices; the school board pays the majority of the premium for the single employee coverage plan. The cost to the employee is determined by the coverage selected by the employee. Additional Optional Life Insurance may be purchased through a voluntary payroll deduction.

Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA)

Continued group health insurance is offered to full-time employees and/or dependents at their full expense for limited periods:

- 18 months – termination of employment (except for gross misconduct).
- 36 months – death of employee. Spouse or dependents must notify the school division within sixty days of employee's death if they desire to continue to enroll in the group health insurance plan.

The full cost to continue the group health insurance benefit must be paid by the employee, spouse or dependents.

Retirement (GBO)

All full-time employees are required to be members of the Virginia Retirement System (VRS). Currently, there are three VRS plans. If you were a VRS member before July 1, 2010, you are covered by Plan 1. If you became a VRS member after June 30, 2010, you are covered by Plan 2. After determining under which Plan you are covered, specific VRS plan information can be found at [Virginia Retirement System](#).

403(b) Retirement Pay Plan (Unused Sick Leave Days & Unused Vacation Leave Days)

Payment to retiring employees for unused sick leave days and for unused vacation leave days (twelve (12) month employees) will be in the form of a Group Fixed-Annuity 403(b) Special Pay Plan. The 403(b) plan saves retiring employees Social Security taxes and Medicare taxes. Social Security taxes and Medicare taxes are never paid on the money. The 403(b) plan also delays payment of Federal and Virginia income taxes until the funds are withdrawn or

distributed. Funds in a 403(b) plan may grow or decrease tax-deferred until withdrawn or distributed.

The money in a 403(b) plan may be withdrawn immediately (forms are available through Virginia Retirement Specialists) or delayed to future years or the money may be immediately transferred (waiver granted) to a retiring employee's existing IRA or 403 (b) account with a different financial services provider. Surrender charges (front end or back end) will never be charged to the 403(b) account of the retired employee unless the Wythe County School Board moves the whole 403(b) plan to a different financial services provider. If individuals withdraw funds from a 403(b) plan in a lump sum payment prior to reaching age 55, a 10% excise tax will be levied in addition to the Federal and Virginia income taxes being levied. At age 55, certain exemptions from the 10% excise tax penalty exist for retired employees. At the age of 59 ½, only Federal and Virginia income taxes are deducted from 403(b) funds at withdrawal or distribution.

The 403(b) Special Pay Plan can't be optional for School Board employees in order for the retirement pay plan to meet Internal Revenue Service's (IRS) guidelines. Thus, participation in the 403(b) plan is mandatory for retiring employees with unused sick leave, personal leave and/or unused vacation leave days.

Retirement Annuity for Bus Drivers

For regular route school bus drivers only, the Wythe County School Board pays \$100.00 each month into an Employee-selected tax-deferred annuity for each month that the school bus driver is employed by the School Board. If a school bus driver works the entire school year; he/she will also receive this annuity benefit during the months of July and August. Regular route bus drivers, who do **not** work the entire school year, will receive this annuity benefit **only** for the months they are employed. Also, regular route school bus drivers will have the option of authorizing additional contributions to their School Board initiated tax deferred annuity with pre tax wages that they earn as employees of the Wythe County School Board.

Retirement – Health Insurance

The retired employee must pay the whole monthly health insurance premium. All or a portion of the monthly health insurance premium may be paid on a pre tax bases, during the period of eligibility, if the retired employee was eligible for and did retire under a previous Wythe County Public Schools Early Retirement Plan. If a retired employee withdraws from the School Board's health insurance plan, the retiree may not re-enroll in the health insurance plan. At the age of eligibility for Medicare, the retired employee is subsequently removed from the School Board's health insurance plan.

Retirement – Health Insurance Retirement Benefit Plan (GCPC) (GCPC-R)

Wythe County School Board contracted employees who are members of the Virginia Retirement System and are eligible to retire with 15 years of service in the Virginia Retirement System may participate, if otherwise eligible, in the Wythe County Public Schools Health Insurance Retirement Benefit Plan ("Plan").

To be eligible for the Health Insurance Retirement Benefit Plan, an employee must have been enrolled in the school division's health insurance plan for the last year of employment with

WCPS.

After Employee's retirement and for so long as the current age of Retiree is less than Medicare eligible age, Employer will pay the balance of the current individual insurance premium for the basic coverage option (Key Advantage 1000 or similar coverage) in Employer's group plan, after reducing the premium by the amount of the 30-year-or-more VRS Health Insurance Credit ("Credit") (e.g., if the premium for basic coverage is \$500 per month and the 30-year-or-more VRS Credit is \$120, Employer would pay the remaining \$380 per month). Retiree will be responsible for contributing the amount of the 30-year-or-more VRS Health Insurance Credit and the amount of any additional premiums due for participation in any upgraded coverage option (Key Advantage 500 or other similar coverage) if selected by Retiree. Any Retiree who does not qualify for the 30-year-or-more Credit will be responsible for contributing the balance of between the VRS Health Insurance Credit he/she actually received and the amount of the 30-year-or-more Credit established by VRS for the time period in question. All retirees will contribute a minimum of \$120 or the amount of the 30-year-or-more Health Insurance Credit set by VRS, whichever is higher. Amounts due from Retiree must be received by WCPS Payroll Services no later than the 20th day of the each month. Failure of Retiree to contribute any amounts due will result in termination of coverage and no further benefits will be available under this Agreement, the Plan or Policy GCPC.

Upon annual increases in insurance premiums from the date of retirement until Retiree reaches Medicare eligible age, Employer will pay up to a four percent (4%) increase for premiums per year. Any amount of premium increase during this term period of more than the four percent (4%) allowance will be the responsibility of Retiree to the extent Retiree's VRS credit, if any, does not fully cover such increases. Any reduction in annual insurance premiums will apply toward reducing Employer's share first. Under no circumstances will Retiree be entitled to a direct cash payment from WCPS by virtue of participation in this Plan.

Vacation Leave (GCBC-W)

In addition to recognized holidays, all full-time 12 month employees of the Wythe County Public Schools with 10 or more years of service in public education shall be entitled to 1 ½ days of vacation leave per month. All full-time 12 month employees with less than 10 years of service in public education shall be entitled to one 1 day of vacation leave per month. Vacation leave shall accumulate up to thirty (30) days with unused vacation leave beyond thirty (30) days added to the sick leave accumulation. Vacation leave will accrue on the last working day of each month.

Eligible retiring employees are paid the daily rate of pay as dictated by the contractual agreement in effect at the time of employee's retirement or resignation. No employee will be entitled to receive more than thirty (30) days vacation pay.

An employee must have completed 6 months of full-time employment before being eligible to use accumulated vacation leave.

Military Leave (GCBEB)

All employees of Wythe County School Board who are members of the state or federal military reserves are entitled to leaves of absence from their duties on all days during which they are

engaged in federally funded military duty, including training duty, or when called forth by the Governor.

All employees on military leave will receive up to 15 days paid leave per federally funded tour of duty.

Sick Leave (GCBD-WR) (GCBC-U) (GCBE)

Each full-time employee of the Wythe County School Board earns a maximum of one (1) day of sick leave per month of employment (10, 11, or 12) each year. Sick leave provisions do not apply to summer school, evening adult school, substitutes, or temporary employees. Sick leave days may be used for physical examinations, personal illness (including quarantine), illness in the immediate family, and death in the immediate family.

Each regularly employed part-time employee of the Wythe County School Board may earn a maximum of six (6) days of sick leave each year. A sick leave day for a part-time employee is defined as the number of hours that the part-time employee works per day. Examples of eligible employees are bus and car drivers and cafeteria workers.

An employee who has not requested and been granted leave by the Wythe County School Division under the Family and Medical Leave policy may be required by the employer to provide certification by a physician or licensed nurse practitioner of the need for the use of sick leave days. Any certification requested by the employer shall be at the employee's expense. At the employer's discretion and expense, a second medical opinion may be required. The employer may also require certification by a physician or licensed nurse practitioner of the suitability of the employee to return to work and any limitations that have been created by the employee's illness or injury.

An employee without advanced authorization of his/her immediate supervisor may use sick leave days. Personal leave requires advanced notification.

On the first day of work per new annual contract, an employee receives his/her allotted sick leave days for the entire year. To access and use the new allotment of sick leave days, an employee must report to work for at least one day. If the employee terminates employment before earning the advanced sick leave days, the per diem rate of pay times the number of sick leave days advanced will be deducted from the employees pay. Sick leave days, personal leave days, and vacation leave days must be taken in a minimum of one-half (1/2) day increments.

An employee may transfer a maximum of ten (10) sick leave days each school year to another employee, who has ten (10) days or less of sick leave and who still has a legitimate and continuing need for sick leave as verified by a medical doctor. An exception to the preceding sentence requires a written detailed request from the employee, desiring to transfer more than ten (10) sick leave days, to and approved by the superintendent or designee. Employees who wish to transfer sick leave days to another employee must complete a **Request for Transfer of Sick Leave Days** form and submit the form to the Superintendent or the Superintendent's designee. A **Request for Transfer of Sick Leave Days** by an employee becomes void if the employee resigns his/her position or is terminated by the School Board before the sick leave days are transferred to the designated recipient(s).

Eligible retiring employees are paid thirty (\$30.00) dollars per day for all unused sick leave and personal days. No payment is given for accumulated sick leave days when an employee resigns his/her position. However, for an employee who has resigned, accumulated sick leave days may be transferred to any public school division or private school that will accept the sick leave days.

Family Medical Leave Act (GCBE)

The Wythe County School Board recognizes its obligation to provide eligible employees with unpaid leave pursuant to the Family and Medical Leave Act (FMLA). To obtain FMLA required forms, please contact the Director of Human Resources.

Personal Leave (GCBC-U) (GCBC-R)

Each full-time employee receives three (3) days of personal leave per year. Each part-time employee receives one (1) day of personal leave per year.

Personal leave for full-time employees and part-time employees may be accumulated up to five (5) days. Personal leave days in excess of the accumulated five (5) days are added to an employee's accumulated sick leave days. Principals and/or an employee's immediate supervisor shall be notified at least two (2) days before such personal leave may be taken.

Persons serving on jury duty will not forfeit leave.

Part-time teachers, summer school teachers, homebound teachers, and substitute teachers will average less than 30 hours per week in any one position or a combination thereof during a school or calendar year.

If an employee resigns or retires during his/her contract year, personal leave days are prorated and unused earned personal leave days are transferred to sick leave days and processed as sick leave days in accordance with sick leave policy (GCBD-WR).

Professional Leave (GCBD-W)

The Wythe County School Board recognizes the benefit of professional leave and provides qualified staff opportunities for professional development and growth, thereby enhancing the value of their future service to Wythe County Public Schools.

Leave Without Pay

When an employee has been on leave without pay in excess of ½ month, the employee must pay his/her whole monthly health insurance premium.

Other Leave (GCBC-U)

Any employee requesting a leave of absence should contact the Office of Human Resources at the school board office.

The principal or immediate supervisor must verify the accuracy of the information and forward the timesheets to the School Board Office in accordance with the due date on the payroll schedule. No daily or hourly employee is paid unless a daily or hourly time sheet is received in the payroll department with the accurate number of days and/or hours worked. For homebound students, parents/legal guardians are required to verify the accuracy of a homebound teacher's time sheet.

Federal and Virginia taxes and social security taxes are withheld from the pay before any money is distributed to a school employee.

Overtime Pay (GAA)

No one may work overtime expecting overtime pay or compensatory time without the prior approval of the Superintendent of Schools, Superintendent's designee, or immediate supervisor in the event of an emergency. Payday (DL) (GBC-E2)

Unless specified otherwise, the employee is paid in 12 equal installments through direct deposit. Pay day is the last working day of each month. If an employee is paid for 2 work days during 1 extended work (calendar) day, an absence on that day would require 2 days deduction of leave or pay.

Supplements for ½ Masters, Masters, Masters + 30, National Board Certification Specialist, Second Masters, and Doctoral Degrees

Pay supplements have a fiscal impact on the school division. Consequently, pay supplements for graduate degrees or graduate credits are granted only for those earned prior to the beginning date of a contract. However, if the final graduate courses to earn the supplement were begun prior to the beginning date of the contract and are scheduled to end within the first month of the contract, the pay supplement will be granted. Courses that are taken to earn a pay supplement must be at the graduate course (500 or higher) level. Courses that are taken for the master's degree + 30 pay supplement are to be taken after the masters degree is conferred.

HEALTH AND SAFETY

Wythe County School Board is committed to providing a safe and healthy working environment. Employees are asked to assist in maintaining safe and healthy working conditions by exercising care and good judgment at all times to prevent accidents and injuries. Unsafe conditions, equipment and behaviors are to be reported immediately to the principal or immediate supervisor.

Photo Identification Badge

All full-time and regularly employed part-time employees will be issued a Wythe County Public Schools photo identification badge by the Department of Human Resources. When schools are in session, an employee's photo identification badge is to be worn by the employee and visible to others at all times when the employee is inside a school building or on school grounds.

Blood Borne Pathogens Exposure Control (GE-W)

This exposure control policy has been established by the Wythe County Public Schools to minimize and to prevent, when possible, the exposure of employees to disease-causing microorganisms transmitted through human blood and other body fluids, and to provide a means of complying with the Bloodborne Pathogens Standards. All employees who are exposed to blood and other potentially infectious materials as a part of their job duties are included in this program.

Staff Health and Safety (GBE) (GDQ) (GBEA-R) (GBEA)

As a condition of employment, every new employee of the School Board shall submit a certificate signed by a licensed physician, physician assistant, nurse practitioner, or registered nurse stating the employee appears free of communicable tuberculosis.

No person shall be employed as a bus driver unless he/she has a physical exam of the scope required by the Board of Education. In addition, every bus driver and bus mechanic shall undergo an annual physical exam as a condition of continued employment. The School Board also requires drug testing for bus drivers upon initial employment and alcohol and drug testing on a random basis thereafter.

Employees may not lawfully manufacture, distribute, dispense, or possess a controlled substance on school property, at any school activity, or on any school-sponsored trip. It is a condition of employment that each employee of the Wythe County School Board will not engage in such prohibited conduct and will notify the Wythe County School Board of any criminal drug conviction for a violation occurring in the work place no later than 5 days after such conviction. This policy can be found in Appendix A.

Weapons in School – Staff Members (GBEB)

Staff members are prohibited from carrying, bringing, using or possessing any weapon, as defined in Policy JFCD, in any school building, on school grounds, in any school vehicle or at any school-sponsored activity without the authorization of the Superintendent of Schools. Violation of the policy could be grounds for immediate dismissal.

Workers' Compensation (GCBC-V)

The School Board provides workers' compensation insurance coverage for its employees. Accidents to employees that occur in the school or elsewhere while on School business come under the jurisdiction of the Workers' Compensation and Occupational Disease Law. Injuries occurring during the course of employment, even though they seem trivial, must be reported to your immediate supervisor, or if that person is unavailable, another school administrator, in order to ensure proper treatment and to establish eligibility for workers' compensation benefits, if appropriate. If an employee contracts an occupational disease during the course of employment, the employee is to contact his/her immediate supervisor as soon as the occupational disease is diagnosed by a licensed physician. On notification of an accident, the School will complete an accident form, which must be forwarded to the insurance carrier.

This insurance covers any injury or illness sustained in the course of employment that requires medical, surgical, or hospital treatment based on the provisions of the plan. Subject to applicable legal requirements and the terms of the plan, workers' compensation insurance provides benefits after a short waiting period or, if the employee is hospitalized, immediately. The School Board maintains a workers' compensation panel of physicians. In the event of a work related injury the employee will be required to choose a physician from the provided panel. If an employee declines to visit a physician among the Workers' Compensation Panel of Physicians, he/she must pay for any medical treatment or hospitalization and could be denied wages and workers' compensation for any absence based on a disability which is not certified by a physician who is approved by the employer.

Neither the School Board nor the insurance carrier will be liable for the payment of workers' compensation benefits for injuries that occur during an employee's voluntary participation in any off-duty recreational, social, or athletic activity sponsored by the School system. Compensation will not be awarded in Virginia if the injury is the result of the employee's willful misconduct, intentional self-inflicted injury, intent to injure another, intoxication, or willful breach of a safety rule.

Absences from work that result from injury on the job will not reduce an employee's accumulated sick leave days. An absence from work that results from a work related injury is recorded as a professional leave day.

STAFF TIME SCHEDULES

Work Schedules

The workday for full-time licensed and professional staff will be a minimum of seven hours and thirty minutes and will continue until professional responsibilities to the student and school are completed. Elementary school teachers will be provided at least an average of thirty minutes per day during the students' school week as planning time. Administrative meetings, curriculum development, pupil supervision, assigned duties, parent conferences, group or individual planning and extra-curricular activities may require hours beyond the stated minimum. Work schedules for other employees will be defined by the superintendent or his/her designee, consistent with the Fair Labor Standards Act and the provisions of this policy.

Workweek Defined

Working hours for all employees not exempted under the Fair Labor Standards Act, including secretaries, bus drivers, cafeteria, janitorial and maintenance personnel will conform to federal and state regulations. The superintendent will ensure that job positions are classified as exempt or non-exempt and that employees are made aware of such classifications. Supervisors will make every effort to avoid circumstances which will require non-exempt employees to work more than 40 hours each week. For purposes of compliance with the Fair Labor Standards Act, the workweek for school district employees will be 12:00 a.m. Monday until 11:59 p.m. Sunday.

Overtime and Compensatory Time

The Wythe County School Board discourages overtime work by non-exempt employees. A non-exempt employee will not work overtime without the express approval of his/her supervisor. All overtime work must be expressly approved in writing by the superintendent or his/her designee. All supervisory personnel must monitor overtime on a weekly basis and report such time to the superintendent or his/her designee. Principals and supervisors will monitor employees' work, will ensure that overtime provisions of this policy and the Fair Labor Standards Act are followed and will ensure that all employees are compensated for any overtime worked. Principals or supervisors may need to adjust daily schedules to prevent non-exempt employees from working more than 40 hours in a workweek. Accurate and complete time sheets of actual hours worked during the workweek will be signed by each employee and submitted to the finance officer. The finance officer will review work records of employees on a regular basis to make an assessment of overtime use.

In lieu of overtime compensation, non-exempt employees may receive compensatory time off at a rate of not less than one and one-half (1.5) hours for each one hour of overtime worked, if such compensatory time

- (1) is pursuant to an agreement between the employer and employee reached before overtime work is performed, and
- (2) is authorized by the immediate supervisor.

Employees will be allowed to use compensatory time within a reasonable period after requesting such use if the requested use of the compensatory time does not unduly disrupt the operation of the school division. Employees may accrue a maximum of 30 hours of compensatory time. In addition, upon leaving the school division, an employee must be paid

for any unused compensatory time at the rate of not less than the final regular rate received by the employee.

Non-exempt employees whose workweek is less than 40 hours will be paid at the regular rate of pay for time worked up to 40 hours. Such employees will be provided overtime pay or compensatory time as provided above for working more than 40 hours in a workweek.

Employees will be provided with a copy of this policy and will be required to sign this policy to acknowledge their understanding of overtime and compensatory time provisions. Such signed policy will constitute the written agreement required in this section.

Attendance Expectations

All employees are expected to be present during all work hours. Absence without prior approval, chronic absences, habitual tardiness or abuses of designated working hours are all considered neglect of duty and will result in disciplinary action up to and including dismissal.

EQUAL EMPLOYMENT OPPORTUNITY/ NONDISCRIMINATION

I. Policy Statement

The Wythe County School Board is an equal opportunity employer, committed to nondiscrimination in recruitment, selection, hiring, pay, promotion, retention or other personnel actions affecting employees or candidates for employment. Therefore, discrimination in employment against any person on the basis of race, color, religion, national origin, ancestry, political affiliation, sex, gender, gender identity, age, marital status, genetic information or disability is prohibited. Personnel decisions are based on merit and the ability to perform the essential functions of the job, with or without reasonable accommodation.

The Wythe County School Board provides facilities, programs and activities that are accessible, usable and available to qualified disabled persons. Further, the Wythe County School Board does not discriminate against qualified disabled persons in the provision of health, welfare and other social services.

The statement, "Wythe County School Board is an equal opportunity employer," is placed on all employment application forms.

II. Notice of Policy/Prevention

This policy is (1) posted in prominent areas of each school division building, (2) included in employee handbooks and (3) provided to any employee or candidate for employment upon request. Training to prevent prohibited discrimination is included in employee in-service training.

III. Complaint Procedure

A. File Report

Any person who believes he has not received equal employment opportunities should report the alleged discrimination to one of the Compliance Officers designated in this policy. The alleged discrimination should be reported as soon as possible, and the report generally should be made within fifteen (15) school days of the occurrence. Any employee who has knowledge of conduct which may constitute prohibited discrimination shall immediately report such conduct to one of the Compliance Officers designated in this policy.

The reporting party should use the form, Report of Discrimination, GB-F, to make complaints of discrimination. However, oral reports and other written reports will also be accepted. The complaint must be filed with one of the Compliance Officers designated in this policy. Any complaint that involves the Compliance Officer shall be reported to the superintendent.

The complaint and the identity of the complainant and the person or persons allegedly responsible for the discrimination will be disclosed only to the extent necessary to fully investigate the complaint and only when such disclosure is required or permitted by law. A complainant who wishes to remain anonymous will be advised that anonymity may limit the school division's ability to fully respond to the complaint.

B. Investigation

Upon receipt of a report of alleged discrimination, the Compliance Officer shall immediately authorize or undertake an investigation. The investigation may be conducted by school personnel or a third party designated by the school division. The investigation shall be completed as soon as practicable, which generally should be not later than 14 school days after receipt of the report by the Compliance Officer. Upon receiving the complaint, the Compliance Officer will acknowledge receipt of the complaint by giving written notice that the complaint has been received to both the complainant and the superintendent. If the Compliance Officer determines that more than 14 school days will be required to investigate the

complaint, the complainant and the superintendent will be notified of the reason for the extended investigation and the date by which the investigation will be concluded.

The investigation may consist of personal interviews with the complainant, the person(s) alleged to have violated the policy and any others who may have knowledge of the alleged discrimination or the circumstances giving rise to the complaint. The investigation will consider witnesses and evidence from both the complainant and the person(s) responsible for the alleged discrimination. The investigation may also include the inspection of any documents or information deemed relevant by the investigator. The school division shall take necessary steps to protect the complainant and others pending the investigation.

Whether a particular action or incident constitutes a violation of this policy requires a case by case determination based on all of the facts and circumstances revealed by a complete and thorough investigation.

The Compliance Officer shall issue a written report to the superintendent upon completion of the investigation. If the complaint alleges the superintendent has violated this policy, then the report shall be sent to the School Board. The report shall include a determination of whether the allegations are substantiated, whether this policy was violated and recommendations for corrective action, if any.

All employees shall cooperate with any investigation of alleged discrimination conducted under this policy or by an appropriate state or federal agency.

C. Action by Superintendent

Within 5 school days of receiving the Compliance Officer's report, the superintendent or superintendent's designee shall issue a written decision regarding (1) whether this policy was violated and (2) what action, if any, should be taken.

If the complaint alleges that the superintendent has violated this policy, the School Board's standing Equal Employment Opportunity/Nondiscrimination Committee shall make the decision and determine what action should be taken. If the School Board does not have such a standing committee, at its next scheduled meeting it shall appoint a committee consisting of three of its members to handle the matter. The committee shall issue a written decision within 14 calendar days of the time the School Board receives the Compliance Officer's report or the time a committee is appointed, if there is no standing committee. The written decision shall state (1) whether this policy was violated and (2) what action, if any, should be taken.

The written decision must be mailed to or personally delivered to the complainant within 5 calendar days of the issuance of the decision. If the superintendent, superintendent's designee or committee concludes that prohibited discrimination occurred, the Wythe County School Division shall take prompt, appropriate action to address and remedy the violation as well as prevent any recurrence. Such action may include discipline up to and including dismissal.

D. Appeal

If the superintendent, superintendent's designee or committee determines that no prohibited discrimination occurred, the person who was allegedly subjected to discrimination may appeal this finding to the School Board within 5 school days of receiving the decision. Notice of appeal must be filed with the superintendent, or with a member of the committee which issued the written decision, who shall forward the record to the School Board. The School Board shall make a decision within 30 calendar days of receiving the record. The School Board may ask for oral or written argument from the aggrieved party and the superintendent, superintendent's designee or the committee, whichever issued the written decision, and any other individual the School Board deems relevant. Written notice of the School Board's decision will be given to the complainant.

Employees may choose to pursue their complaints arising under this policy through the relevant employee grievance procedure instead of the complaint procedure in this policy.

The Wythe County School Board has designated the Director of Human Resources 1570 West Reservoir Street, Wytheville, Virginia 24382, phone 276-228-5411 as the Compliance Officer responsible for identifying, investigating, preventing and remedying prohibited discrimination. IV. Retaliation

Retaliation against employees who report discrimination or participate in the related proceedings is prohibited. The school division shall take appropriate action against any employee who retaliates against another employee or candidate for employment who reports alleged discrimination or participates in related proceedings. The Compliance Officer will inform persons who make complaints, who are the subject of complaints and who participate in investigations of how to report any subsequent problems.

V. Right to Alternative Complaint Procedure

Nothing in this policy shall deny the right of any individual to pursue other avenues of recourse to address concerns relating to prohibited discrimination including initiating civil action, filing a complaint with outside agencies or seeking redress under state or federal law.

VI. Prevention and Notice of Policy

Training to prevent discrimination is included in employee orientations and in-service training.

EQUAL EDUCATIONAL OPPORTUNITIES/NON-DISCRIMINATION

I. I. Policy Statement

Equal educational opportunities shall be available for all students, without regard to sex, race, color, national origin, gender, ethnicity, religion, disability, ancestry, or marital or parental status. Educational programs shall be designed to meet the varying needs of all students.

No student, on the basis of sex or gender, shall be denied equal access to programs, activities, services or benefits or be limited in the exercise of any right, privilege or advantage or be denied equal access to educational and extracurricular programs and activities.

The School Board shall

- provide facilities, programs and activities that are accessible, usable and available to qualified disabled persons;
- provide a free, appropriate education, including non-academic and extracurricular services to qualified disabled persons;
- not exclude qualified disabled persons, solely on the basis of their disabilities, from any preschool, daycare, adult education or career and technical education programs; and
- not discriminate against qualified disabled persons in the provision of health, welfare or social services.

II. Complaint Procedure

A. File Report

Any student who believes he or she has been the victim of prohibited discrimination should report the alleged discrimination as soon as possible to one of the Compliance Officers designated in this policy or to any other school personnel. The alleged discrimination should be reported as soon as possible, and the report generally should be made within fifteen (15) school days of the occurrence. Further, any student who has knowledge of conduct which may constitute prohibited discrimination should report such conduct to one of the Compliance Officers designated in this policy or to any school personnel. Any employee who has knowledge of conduct which may constitute prohibited discrimination shall immediately report such conduct to one of the Compliance Officers designated in this policy.

The reporting party should use the Report of Discrimination form to make complaints of discrimination. However, oral reports and other written reports shall also be accepted. The complaint should be filed with either the building principal or one of the Compliance Officers designated in this policy. The principal shall immediately forward any report of alleged prohibited discrimination to the Compliance Officer. Any complaint that involves the Compliance Officer shall be reported to the superintendent.

The complaint, and identity of the complainant and of the person or persons allegedly responsible for the discrimination, will not be disclosed except as required by law or policy, as necessary to fully investigate the complaint or as authorized by the complainant. A complainant who wishes to remain anonymous will be advised that such confidentiality may limit the school division's ability to fully respond to the complaint.

B. Investigation

Upon receipt of a report of alleged prohibited discrimination, the Compliance Officer shall immediately authorize or undertake an investigation. The investigation may be conducted by school personnel or a third party designated by the school division. The investigation shall be completed as soon as practicable, which should generally be not later than 14 school days after receipt of the report by the Compliance Officer. Upon receiving the complaint, the Compliance Officer shall acknowledge receipt of the complaint, by giving written notice that the complaint has been received, to both the person complaining of discrimination and the person or persons allegedly responsible for the discrimination. Also upon receiving the complaint, the Compliance Officer shall determine whether interim measures should be taken pending the outcome of the investigation. If the Compliance Officer determines that more than 14 school days will be required to investigate the complaint, the complainant and the person or persons allegedly responsible for the discrimination will be notified of the reason for the extended investigation and of the date by which the investigation will be concluded.

The investigation may consist of personal interviews with the complainant, the person or persons allegedly responsible for the discrimination, and any others who may have knowledge of the alleged discrimination or the circumstances giving rise to the complaint. The investigation will consider witnesses and evidence from both the complainant and the person or persons responsible for the alleged discrimination. The investigation may also include the inspection of any documents or information deemed relevant by the investigator. The school division shall take necessary steps to protect the complainant and others pending the completion of the investigation.

Whether a particular action or incident constitutes a violation of this policy requires a case by case determination based on all of the facts and circumstances revealed by a complete and thorough investigation.

The Compliance Officer shall issue a written report to the superintendent upon completion of the investigation. If the complaint involves the superintendent, then the report shall be sent to the School Board. The report shall include a determination of whether the allegations are substantiated, whether this policy was violated and recommendations for corrective action, if any.

All employees shall cooperate with any investigation of alleged discrimination conducted under this policy or by an appropriate state or federal agency.

C. Action by Superintendent

Within 5 school days of receiving the Compliance Officer's report, the superintendent or designee shall issue a decision regarding (1) whether this policy was violated and (2) what action, if any, should be taken. This decision must be provided in writing to the complainant. If the superintendent or designee determines that prohibited discrimination occurred, the Wythe County School Division shall take prompt, appropriate action to address and remedy the violation as well as prevent any recurrence. Such action may include discipline up to and including expulsion or discharge.

D. Appeal

If the superintendent or designee determines that no prohibited discrimination occurred, the student who was allegedly subjected to discrimination may appeal this finding to the School Board within 5 school days of receiving the decision. Notice of appeal must be filed with the

superintendent who shall forward the record to the School Board. The School Board shall make a decision within 30 calendar days of receiving the record. The School Board may ask for oral or written argument from the aggrieved party and the superintendent and any other individual the School Board deems relevant. Written notice of the School Board's decision will be given to both the complainant and the person or persons responsible for the alleged discrimination.

If the superintendent or designee determines that prohibited discrimination occurred and discipline is imposed, the disciplined person may appeal the disciplinary sanction in the same manner as any other such sanction would be appealed.

III. Complaint Procedure

A. Formal Procedure

1. File Report

Any student or school personnel who believes he or she has been the victim of harassment prohibited by law or by this policy by a student, school personnel or a third party should report the alleged harassment to one of the Compliance Officers designated in this policy or to any school personnel. The alleged harassment should be reported as soon as possible, and the report generally should be made within fifteen (15) school days of the occurrence. Further, any student who has knowledge of conduct which may constitute prohibited harassment should report such conduct to one of the Compliance Officers designated in this policy or to any school personnel. Any school personnel who has notice that a student or other school personnel may have been a victim of prohibited harassment

shall immediately report the alleged harassment to one of the Compliance Officers designated in this policy.

The reporting party should use the form, Report of Harassment, GBA-F/JFHA-F, to make complaints of harassment. However, oral reports and other written reports are also accepted. The complaint should be filed with either the building principal or one of the Compliance Officers designated in this policy. The principal shall immediately forward any report of alleged prohibited harassment to the Compliance Officer. Any complaint that involves the Compliance Officer or principal shall be reported to the superintendent.

The complaint, and identity of the complainant and alleged harasser, will be disclosed only to the extent necessary to fully investigate the complaint and only when such disclosure is required or permitted by law. Additionally, a complainant who wishes to remain anonymous shall be advised that such confidentiality may limit the School Division's ability to fully respond to the complaint.

2. Investigation

Upon receipt of a report of alleged prohibited harassment, the Compliance Officer shall immediately authorize or undertake an investigation. The investigation may be conducted by school personnel or a third party designated by the school division. The investigation shall be completed as soon as practicable, which generally should be not later than 14 school days after receipt of the report by the Compliance Officer. Upon receiving the complaint, the Compliance Officer shall acknowledge receipt of the complaint by giving written notice that the complaint has been received to both the person complaining of harassment and the person accused of harassment. Also upon receiving the complaint, the Compliance Officer shall determine whether interim measures should be taken pending the outcome of the investigation. Such interim measures may include, but are not limited to, separating the alleged harasser and the complainant and, in cases involving potential criminal conduct, determining whether law enforcement officials should be notified. If the Compliance Officer determines that more than 14 school days will be required to investigate the complaint, the complainant and the accused shall be notified of the reason for the extended investigation and of the date by which the investigation will be concluded. If the alleged harassment may also constitute child abuse, then it must be reported to the Department of Social Service in accordance with Policy JHG, Child Abuse and Neglect Reporting.

The investigation may consist of personal interviews with the complainant, the alleged harasser and any others who may have knowledge of the alleged harassment or the circumstances giving rise to the complaint. The investigation will consider witnesses and evidence from both the alleged harasser and the person allegedly harassed. The investigation may also consist of the inspection of any other documents or information deemed relevant by the investigator. The school division shall take necessary steps to protect the complainant and others pending the completion of the investigation.

In determining whether alleged conduct constitutes a violation of this policy, the division shall consider, at a minimum: (1) the surrounding circumstances; (2) the nature of the behavior; (3) past incidents or past or continuing patterns of behavior; (4) the relationship between the parties; (5) how often the conduct occurred; (6) the identity of the alleged perpetrator in relation to the alleged victim (i.e. whether the alleged perpetrator was in a position of power over the alleged victim); (7) the location of the alleged harassment; (8) the ages of the parties and (9) the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a case by case determination based on all of the facts and circumstances revealed after a complete and thorough investigation.

The Compliance Officer shall issue a written report to the superintendent upon completion of the investigation. If the complaint involves the superintendent, then the report shall be sent to the School Board. The report shall include a determination of whether the allegations are substantiated, whether this policy was violated and recommendations for corrective action, if any.

All employees shall cooperate with any investigation of alleged harassment conducted under this policy or by an appropriate state or federal agency.

3. Action by Superintendent

If the superintendent or superintendent's designee determines that it is more likely than not that prohibited harassment occurred, the Wythe County School Division shall take prompt, appropriate action to address and remedy the violation as well as prevent any recurrence. Such action may include discipline up to and including expulsion or discharge. Whether or not the superintendent or superintendent's designee determines that prohibited harassment occurred, the superintendent or superintendent's designee may determine that school-wide or division-wide training be conducted or that the complainant receives counseling.

4. Appeal

If the superintendent or superintendent's designee determines that no prohibited harassment occurred, the employee or student who was allegedly subjected to harassment may appeal this finding to the School Board within 5 school days of receiving the decision. Notice of appeal must be filed with the superintendent who shall forward the record to the School Board. The School Board shall make a decision within 30 calendar days of receiving the record. The School Board may ask for oral or written argument from the aggrieved party, the superintendent and any other individual the School Board deems relevant. Written notice of the School Board's decision will be given to both the alleged harasser and the person allegedly harassed.

If the superintendent or superintendent's designee determines that prohibited harassment occurred and discipline is imposed, the disciplined person may appeal the disciplinary sanction in the same manner as any other such sanction would be appealed.

The principal or principal's designee shall notify the complainant and the person accused of harassment in writing when the complaint has been resolved. The written notice shall state whether prohibited harassment occurred.

IV. Retaliation
